# Business Mission Statement

At **Sakibs Nigeria Limited**, our mission is to pioneer innovative and sustainable infrastructural solutions in the areas of supply, installation, and maintenance across multiple sectors that elevate the functionality, efficiency, and resilience of industrial, commercial, and residential facilities.

With unwavering commitment, we harness advanced technologies, interdisciplinary expertise, and environmental responsibility to leave an enduring positive impact on the built environment. Our aim is to be the trusted partner that empowers our clients to thrive in a rapidly evolving world, while nurturing a culture of excellence, integrity, and collaboration within our organization and beyond.

Our vision is to be a global leader in infrastructural solutions and maintenance services, recognized for our exceptional quality, innovative approaches, and unwavering commitment to excellence.

At Sakibs Nigeria Limited, our mission is to provide innovative and sustainable infrastructural solutions that enhance the functionality, efficiency, and sustainability of industrial, commercial, and residential facilities across the globe. We are committed to utilising advanced technologies, fostering collaboration, and promoting environmental responsibility to create a lasting impact on the built environment.

## Objectives

- ◆ Client satisfaction is our future business. Our goal is to move beyond client satisfaction to client loyalty by completing our work on schedule, within budget and by exceeding our customer expectation.
- ◆ We use our expertise and creativity to enhance the value of the services we provide to our clients and our company.
- ◆ To provide a customer focused service that delivers high quality engineering projects in a safe professional and timely manner.
- ◆ Our clients deserve to have their job executed properly the first time. Quality is a requirement, not only of the final product, but also in our relationships with our clients and business partners.
- ◆ We are a disciplined Company that focuses on market areas where we have expertise and where we are, or can be, market leaders.
- ◆ To deliver sustainable and energy efficient solutions that embrace innovation, quality and value.

*To deliver sustainable and energy efficient  
solutions that embrace innovation,*

## About Us

**Sakibs Nigeria Limited** is a pioneering leader in innovative infrastructural solutions and maintenance services, offering a comprehensive range of expertise in supply, installation, and maintenance for industrial, commercial, and residential facilities worldwide.

With a commitment to excellence, sustainability, and technological advancement, **Sakibs Nigeria Limited** has positioned itself as a trusted partner in optimizing operations and enhancing the value of diverse infrastructures.

Our team of highly skilled professionals, equipped with the latest tools and technologies, ensures that we deliver top-notch services tailored to meet the unique needs of each client.

# Core Values

**Integrity:** We uphold the highest ethical standards, ensuring transparency, honesty, and fairness in all our business dealings. Trust and integrity are the foundations of our relationships with clients, partners, and employees.

**Excellence:** We strive for excellence in everything we do. We continuously enhance our skills, embrace innovation, and deliver outstanding quality in our services. Our goal is to exceed client expectations and set industry benchmarks.

**Collaboration:** We believe in the power of collaboration and teamwork. We foster a collaborative environment where our employees, clients, and partners work together to achieve shared goals. Through effective communication and cooperation, we create synergies and drive success.

**Safety:** The safety of our employees, clients, and the environment is our top priority. We are committed to maintaining the highest standards of health, safety, and environmental practices. We proactively identify and mitigate risks to ensure a safe and secure working environment.

**Customer Focus:** Our clients are at the heart of everything we do. We listen to their needs, understand their requirements, and provide tailored solutions that add value to their businesses. We strive to build long-lasting relationships based on trust, reliability, and exceptional customer service.

By embodying these core values and aligning our actions with our vision, mission, and business mission statement, Sakibs Nigeria Limited aims to be the preferred partner for comprehensive services in Nigeria. Contact us today to explore how we can contribute to the success of your projects and businesses.

*We are skilled professionals, advanced technology, and a commitment to customer satisfaction,*

## **Expertise and Services**

Our Company foundation is built on a strong commitment to Quality, Safety, Innovation, Flexibility, and Customer Satisfaction. We specialize in all aspects of Commercial projects that include both large and smaller contracts. Our experience and expertise enable us to provide excellent results in a timely manner. Our work team comprises of qualified and experienced Electrical, Civil, Structure and plant Engineers capable of meeting the needs of our numerous clients.

## Electrical and Specialized Power Provision and Optimization:

At **Sakibs**, we deliver cutting-edge electrical solutions that cater to the unique power requirements of industrial, commercial, and residential projects. Our experts meticulously design, install, and optimize power systems to ensure efficiency, reliability, and safety, integrating specialized power solutions to meet varying demands and ensuring efficient power distribution while considering safety and energy efficiency. The service may also encompass integrating renewable energy sources, backup power systems, and advanced power management technologies to enhance overall performance and minimize downtime.

## **Integrated Industrial FM Services and Innovative FM Solutions**

Integrated Industrial Facility Management (FM) services involves the comprehensive management and maintenance of industrial facilities. This includes services such as building maintenance, security, cleaning, landscaping, waste management, and more. Innovative FM solutions may incorporate technology-driven approaches like predictive maintenance, IoT (Internet of Things) integration, and data-driven decision-making to optimize facility operations, reduce costs, and enhance occupant comfort.

## **Green Building Design Advisory and Services**

As advocates for sustainability, we provide green building design advisory and services to promote energy efficiency and environmental responsibility. Our team collaborates closely with clients to design structures that incorporate eco-friendly materials, passive design strategies, and renewable energy sources, ultimately contributing to a greener future.

## **Heating, Ventilation and Air Conditioning (HVAC) Optimization and Upgrade(BMS Integration)**

Our HVAC optimisation services prioritize comfort and energy efficiency. We integrate advanced Building Management Systems (BMS) to monitor and control HVAC systems, ensuring optimal performance and reducing energy consumption. Upgrades are implemented to modernize equipment and enhance efficient indoor air quality.

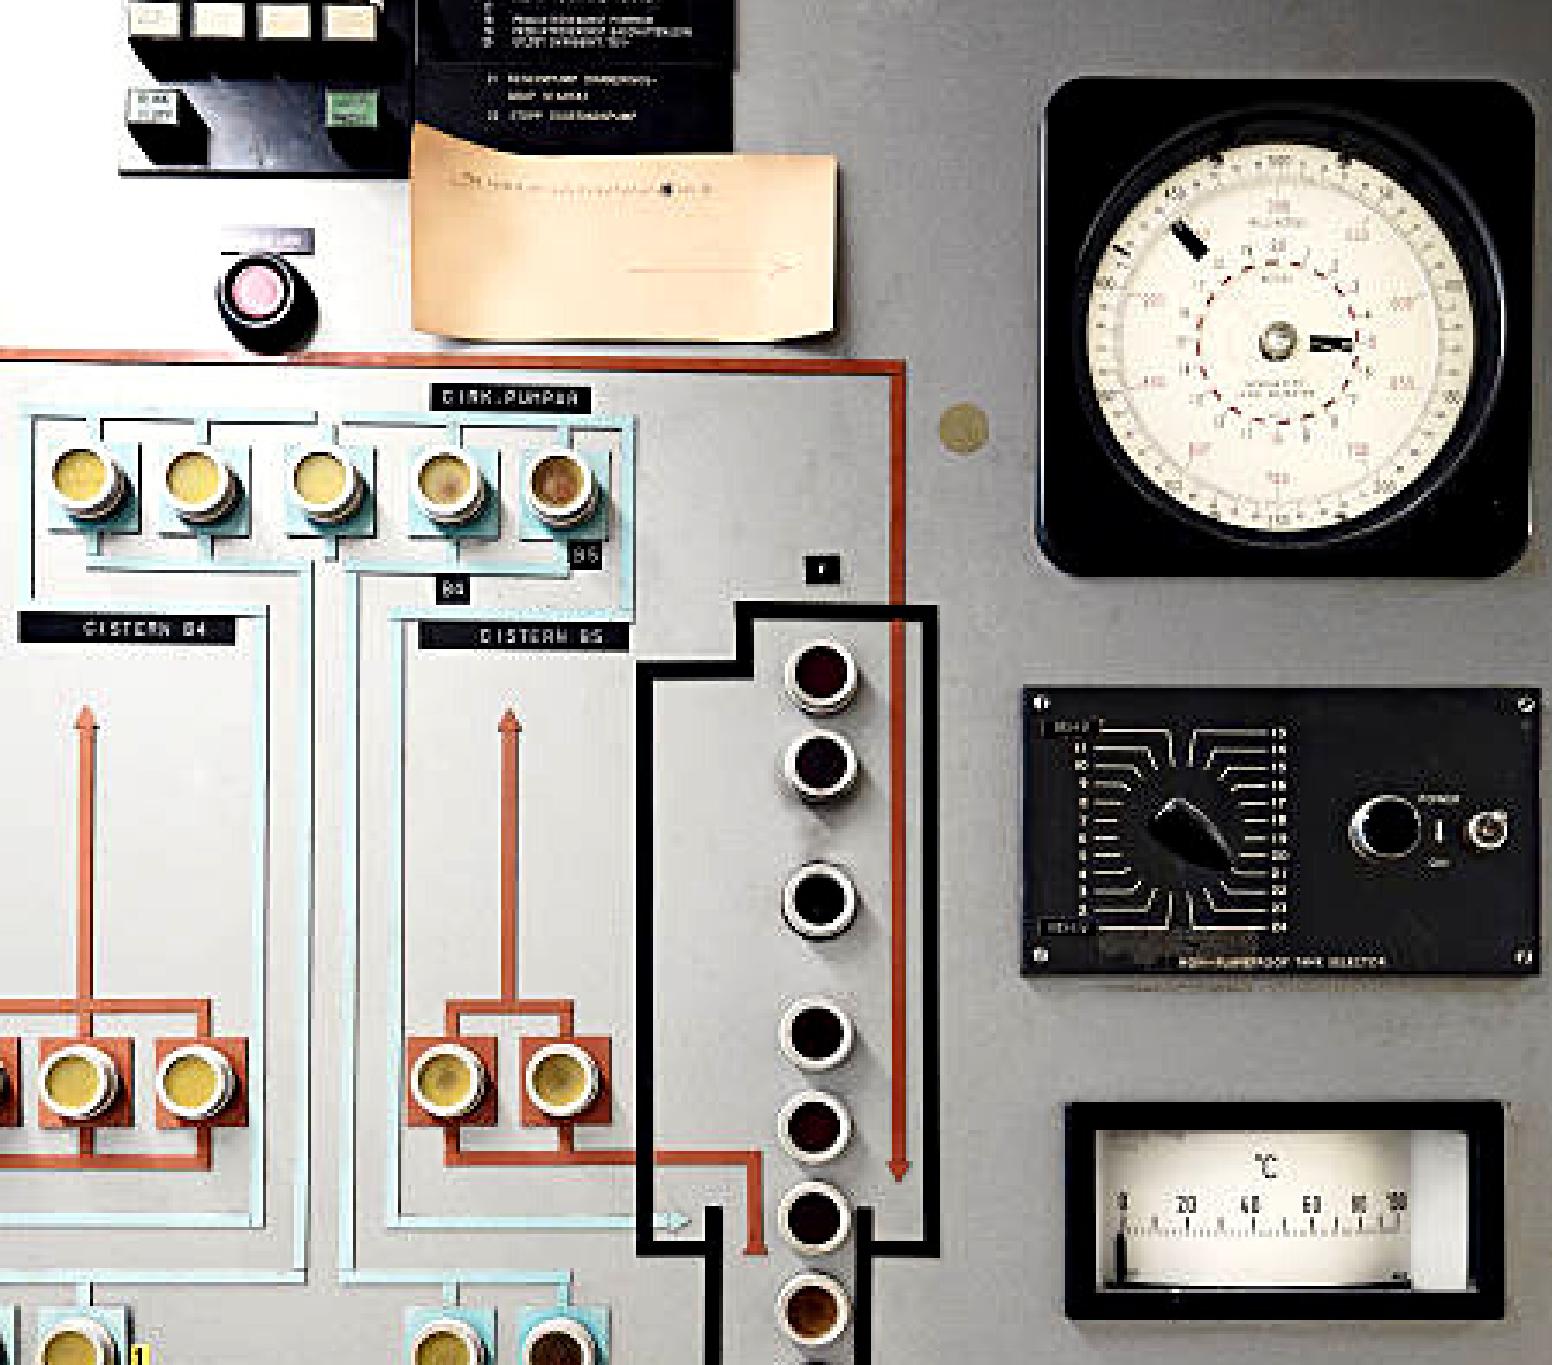

## Asset Optimization for Oil and Gas

In the oil and gas sector, our expertise in asset optimization extends to enhancing equipment efficiency, mitigating risks, and optimizing operational processes. Through predictive maintenance and data-driven strategies, we help clients maximise their assets; lifecycle, minimising downtime and ensuring operational continuity.

## Well Reservoir and FM (WRFM)

**Sakibs** excels in managing well reservoirs and associated facilities, providing comprehensive solutions that cover exploration, production, and facility management. By combining specialized technical knowledge with cutting-edge practices, we ensure optimal well performance and seamless facility operations.

## Fire Fighting Systems Design, Installation, and Maintenance

Our fire fighting systems services guarantee safety by designing, installing, and maintaining top-tier fire protection and suppression systems and equipment. With a focus on compliance and efficiency, we ensure that clients' facilities are well equipped to handle fire emergencies effectively.

## Other Services

### Retail Management and Optimisation

Sakibs understands the dynamic nature of the retail industry. Our retail management services encompass tailored strategies for inventory management, visual merchandising, and customer experience enhancement. By leveraging data analytics, we assist businesses in maximizing their retail potential and achieving growth.

### Residential FMS (Power and IFM)

For residential spaces, Sakibs offers Integrated Facility Management (IFM) Services that cater to power management, security, and overall maintenance. Through integrated solutions, we enhance the living experience of residents while streamlining property operations for property managers.

## **Ports Support Services (Air, Rail, and Sea)**

**Sakibs**; expertise extends to ports support services across air, rail, and sea transportation modes. Our comprehensive solutions facilitate the smooth flow of goods and passengers, from cargo handling to logistics management, ensuring efficient port operations.

## **HSE (Health, Safety, and Environment) Support**

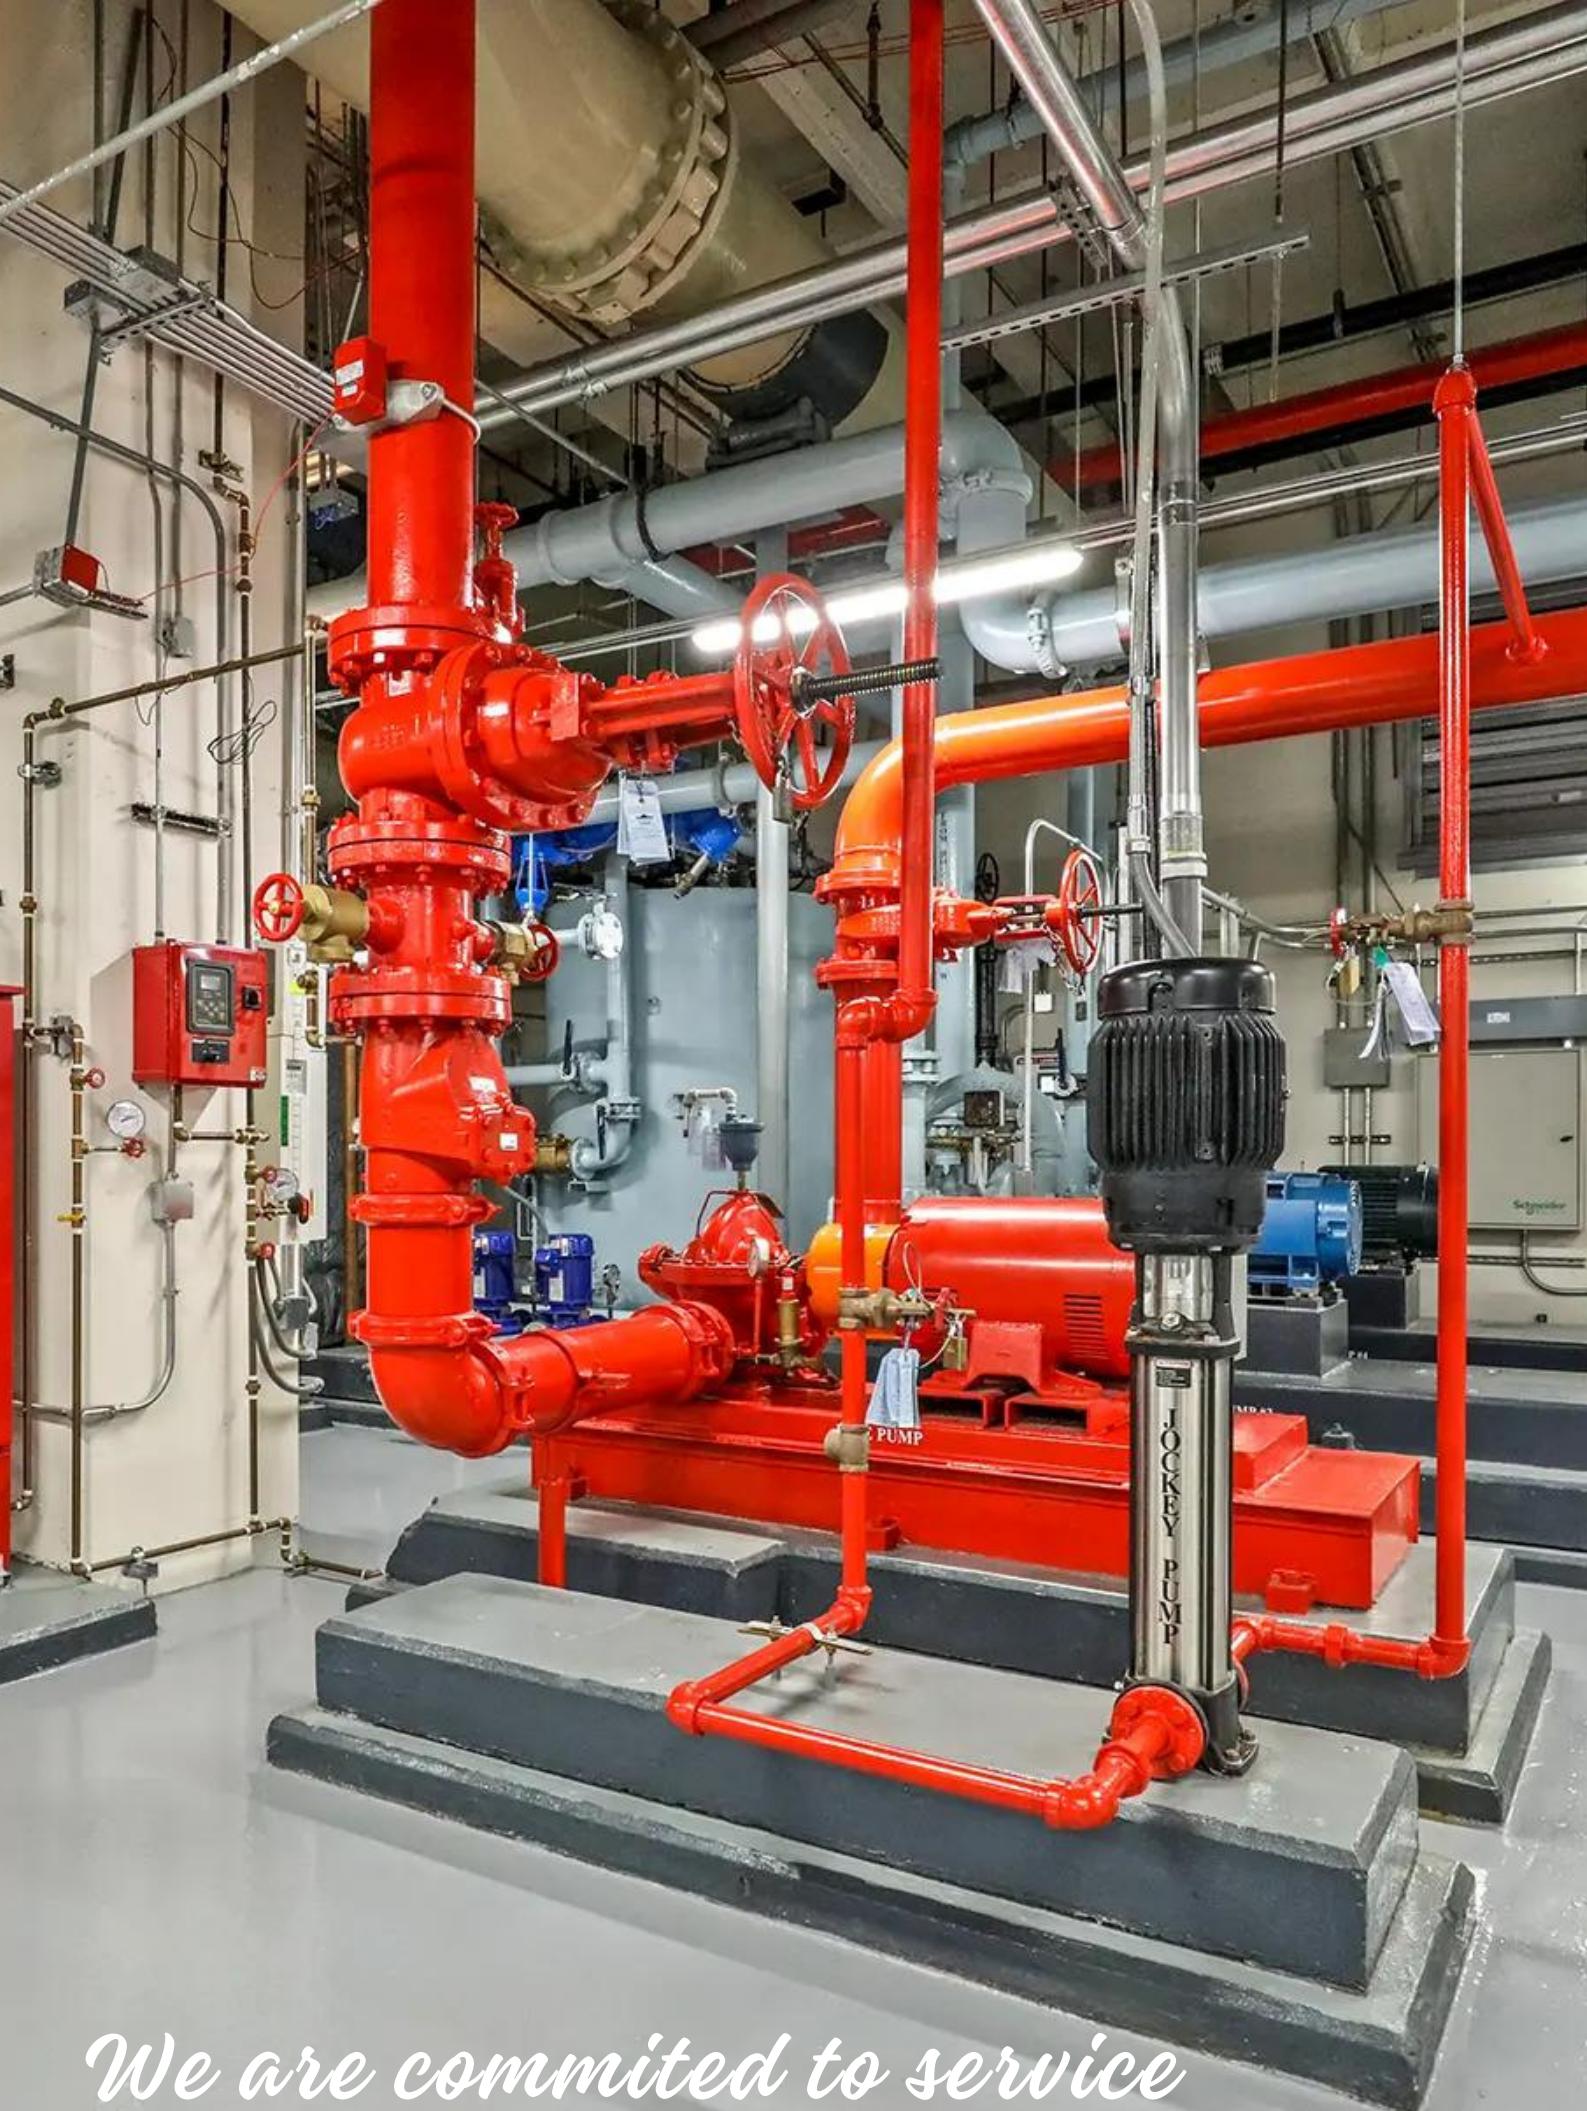

Our Health, Safety, and Environmental (HSE) support services prioritize the well-being of occupants, employees, and the environment. We provide comprehensive safety assessments, develop robust safety protocols, and ensure compliance with industry regulations, creating secure and sustainable working and living environments.

## **Commercial RES (Leasing, Advisory, and Management)**

We excel in providing commercial real estate services that encompass leasing, advisory, and management. By offering expert guidance and data-driven insights, we assist property owners and tenants in maximizing the value of their commercial real estate investments.

we assist property owners and tenants in maximizing the value of their commercial real estate investments.

Each of these services plays a crucial role in various industries, aiming to optimize operations, enhance efficiency, and provide valuable solutions to meet the unique needs of different sectors.

*We are committed to service  
excellence*

## Corporate Experience
